LATEST "NOVELTIES" IN JEWELRY.

Our Jewelry Department is but a few months old, yet it now ranks well with some of the oldest in the store. There is but one conclusion to be drawn from this. We were fortunate enough to secure the exclusive Washington agency of one of the this country, and are in consequence enabled to quote prices considerably lower than would otherwise be possible. The various designs and shapes are actual reproductions of the solid gold jewelry, and in addition we show a vast number of exclusively original designs and shapes not to be found elsewhere.

Particular attention is called to the Enam-cied Jewelry and Roal Enamel Brooches, etc. The enamel is made from various kinds of sand and the öxides of different metals. These are carefully prepared and burnished by fire, giving them a brilliantly polished sur-lace and great durability. The newest de-signs represent the various flowers, such as violets, daisies, hartsease, etc. Prices—\$1.00, \$1.25, \$1.00, \$1.75, \$2, \$2.95, \$3.95, \$2.75, \$3, \$3.25, \$3.50, \$3.75, \$4, \$4.50, \$5 to \$9 each.

Not only do we show the prettiest and best in Domestic Plated Jewelry, but we have secured a great many pieces of Imported Rolled Plate Jewelry and a number of Solid Gold Pieces: Scarf Pins, Brooches, Bracelets, Hair · Ornaments, Finger Rings, Watch Chains and Fobs, Chatelaines, Earrings, Clocks, etc.
